Parents and Students, Please Look Over The Enclosed 2002-2003 Instrumental Music Calendar

We need your help in making sure students are well informed of all their responsibilities over the coming year. In an attempt to make this as easy as possible, we have included with this newsletter the entire year's events in the Instrumental Music Department.

Please go over this calendar with your son or daughter and check this with their other school activities and your family's activities. Please let us know of any concerns that you may have **as soon as possible**. This will make it much easier for us to resolve potential conflicts. Keeping open the lines of communication is what makes everything work smoothly. We've also included the Band Camp letter along with this mailing as well as a Chaperone and Concessions help letter. Please look these over carefully too. We look forward to a fantastic school year. Until then, please

Good Luck To Our WHS Senior Music Students!

This year's senior music class has contributed so much to the music program at Wooster High School. Countless hours of individual practice, rehearsals, excellent performances, and a valued leadership in the program are part of their legacy at Wooster High School.

They were among the many students honored at the annual Music Awards on May 23. We wish all the seniors the very best of luck in the future.

Cindy Glass Accepts Band Director Position At Smithville High School

After more than thirty years as band director at Smithville High School, Bill Moss has retired from teaching. He will undoubtedly be missed, however, his shoes will be filled quite nicely by Cindy Glass, currently instrumental music teacher in grades 5 and 6 in the Wooster City Schools. She recently was hired to lead the high school band.

We wish Cindy the very best in this new pursuit. We know she'll do a great job. One thing is for sure, she will be sorely missed!
