Parents and Students, Please Look Over The Enclosed 1999-2000 Instrumental Music Calendar

We need your help in making sure students are well informed of all their responsibilities over the coming year. In an attempt to make this as easy as possible, we have included with this newsletter the entire year's events in the Instrumental Music Department.

Please go over this calendar with your son or daughter and check this with their other school activities and your family's activities. Please let us know of any concerns that you may have **as soon as possible**. This will make it much easier for us to resolve potential conflicts. Keeping open the lines of communication is what makes everything work smoothly. We look forward to a fantastic school year. Until then, please enjoy a nice, relaxing summer.
