

May, 2019

Dear Parents and Students,

We are all looking forward to **Monday, May 20** as a time to honor our student musicians.

The annual **Music Awards** will begin at **7:00 PM** with presentation of awards in the Wooster High School Performing Arts Center. We would ask that all students please sit on the first floor to facilitate the presentation of awards.

Following the presentation of music awards and honors, an ice cream reception will follow in the Commons. Student musicians will provide music as we all have a chance to mingle and share fond memories.

This Music Department event is intended for all 9-12 music students. It is our hope that your whole family will attend and that all classes, freshmen through seniors in choir, orchestra and band will be well represented. All students will walk across the stage and receive recognition. Please be sure to dress accordingly.

We hope you will be able to attend this year's Music Awards. We feel that it is a very important, positive event, and we enjoy the chance to honor the students in our program who have devoted so much time over the past year.
